

VISIT TO OLD AGE HOME

We students of R.K.Talreja College Taslim Salim S., Rebacca Joseph, Pooja Khandare, Alicia Kotian, Tejal Khochri, Sara Kunhimon, Sushmita Mondal, Poonam Nair (FYBcom), Virendra Rautela, Ruby Pal(SYBcom), Praful Parhe(XII Arts), along with Vice Principal Prof. NAND VAGARYA, and Non-Teaching Members Prashant M. & Pradeep Dulani visited the ashram (Swami Shanti Prakash Vrudrasharam) Ulhasnagar-5. on 20th Jan 2015., it was a very unique experience for all of us

It was sad to see the Granny's and Grandpa's staying there without family and no children of theirs to take care of them we really felt like crying. But on the other hand it was so nice to see the ashrams management that was taking so nice care of them right from **FOOD, SHELTER, MEDICINE and much more.**

We had a nice chat with many Granny's and Grandpa's there some of them shared their story's with us which was very painful, one of the granny played keyboard for us, we shared our tiffin (Which our parents gave for us) with them, **I could see tears in their tired eyes when Sara was feeding them with her own hands.**

Still we don't understand how can this happen where one have brought up a good family and still have to land up in OLD AGE HOMES “One Question are Granny's and Grandpa's burden on the family or are they of no use to the family because they are OLD now.”

WHY WHY THIS OLD AGE HOMES???????????

Our Initiative: “We have decided to keep on visiting Old Age Homes, Orphanages regularly “
