

Plan of action for the Academic year 2023-24

1. Restoration/Revival of Vermicomposting and Biogas plants that were stopped during Covid-19 pandemic.
2. Development of College Information and Management System (CIMS).
3. Strengthening of IT facilities in all functional units of the college.
4. Online feedback collection and analysis.
5. Performance based self-appraisal system for Non-teaching staff.
6. Academic monitoring, data collection and analysis for incremental growth in academics.
